Boston, MA | (617) 251-8648 | ben.kuehl00@gmail.com | [LinkedIn](#) | [GitHub](#)

Education

- Hult International Business School** | Cambridge, MA Expected Aug 2026
Master of Science in Management – GPA: 3.78 (Dean's List)
 - Concentration in Data & Analytics (STEM-OPT eligible)
- University of Cologne** | Cologne, Germany Apr 2019 – Sep 2022
Bachelor of Science in Business Administration
 - Specialization in International Strategic Management & Corporate Finance

Work Experience

- DELOITTE** | Cologne, Germany Oct 2023 – May 2025
Consultant – Cloud Transformation – Enterprise Performance Practice
 - Executed the implementation of an updated financial forecasting process in Oracle EPM Cloud, increasing forecasting accuracy by >25% while reducing resource requirements
 - Led two workstreams from conceptual design workshops to implementation, Go-Live and client handover, resulting in a global roll-out of Oracle EPM software at one of Germany's largest truck manufacturers
 - Enabled HR Planners of a globally operating truck manufacturer to support 300+ end users of Oracle EPM Cloud, by conducting live training sessions, improving first-level support efficiency
 - Managed four workstreams across two client engagements simultaneously, effectively allocating 6 people across workstreams and managing engagement budgets to deliver on schedule and within scope
- PORSCHE CONSULTING** | Munich, Germany Feb 2023 – May 2023
Consulting Intern – Operational Excellence – Automotive External Practice
 - Prevented plant shutdowns during global supply chain crisis by onboarding three new logistics partners adding >120 trucks, enabling 4,000+ additional vehicle deliveries
 - Supported decision making to expand outbound transportation capacity by \$100M+ through market analyses and establishing reporting standards to track logistics partners' performance
- MUECKE ROTH & COMPANY** | Munich, Germany Oct 2022 – Dec 2022
Consulting Intern – Innovation Strategy – Innovation & Venturing Practice
 - Developed new value propositions for corporate-startup-collaboration, creating a new portfolio offering adopted into the company's service line, by validating market assumptions through stakeholder interviews

Extracurricular Activities

- Hult Consulting Club** – Global President Sep 2025 – Present
 - Organized and co-hosted Hult Consulting Panel for >60 participants after onboarding 5 speakers
- Harvard Global Case Competition** – Team Leader Feb 2026 – Mar 2026
 - Developed a pitch book covering financial analysis and strategic fit for an M&A case in the Defense industry
- AI in Pharma & Healthcare** – Independent AI Project Dec 2025 – Jan 2026
 - Leveraged Lovable to design and deploy a functional healthcare LLM prototype in 1 day instead of weeks, enabling hands-on feature validation and user-feedback loops ([Prototype preview](#))
